Update from the Head

Hi everyone,

Since returning to school this term, I have been so proud of how our pupils have continued to represent our school values in everything they do.

Across all year groups, pupils have shown kindness, respect, and determination, demonstrating excellent behaviours for learning both in the classroom and around the academy.

This week, we have been celebrating Anti-Bullying Week, taking time to reflect on how our words and actions can make a difference to others. Through assemblies and class activities, the children have shared thoughtful ideas about what it means to stand up for one another and to celebrate the fact that everyone is unique.

It has been wonderful to see such positive attitudes and a strong sense of community shining through our school.

See you soon,

Miss Jackson

Remembrance Parade

On Sunday 9th November, our Year 6 Team Champions proudly represented our academy at the town's annual Remembrance Parade. Dressed smartly in their school uniforms, they joined local schools, community groups, and veterans to honour those who have served and sacrificed for our country.

The Team Champions took part in the procession through the town before arriving at the cenotaph, where they respectfully laid the school's wreath. They stood silently during the service, showing great maturity and respect throughout the event.

Their thoughtful participation helped remind everyone of the importance of remembrance and the values of respect, gratitude, and community that we value as a school.

Well done, Team Champions — you have made our whole school proud!

Christmas Carols

This year, our Christmas celebrations will look a little bit different. To involve all pupils, we will be holding class carol concerts after school. Each class will have a different evening to allow parent/carers to watch performances of siblings. During the performances, classes will showcase a selection of carols to get us all in the Christmas spirit!
