...Changing lives

Monday 8th September 2025

Mental Health & Well-being Ambassador

We are looking to recruit several new mental health ambassadors to join our other representatives in school this year. This important role will enable you to help support other pupils across all age groups to recognise and manage their own feelings and emotions.

You will be required to work alongside staff and a small number of pupils in the Thrive room for one lunch and break time per week and be an advocate for mental health and well-being across the school community.

If you are interested in the role, please submit a short application letter with reasons why you feel you would be an excellent choice for the role. Applications should be submitted to Mrs Townsend no later than Friday 19th September 2025.

Good luck!
